

— EJ INTERIORS GROUP

— HEADQUARTERS

Located in Novi Sad, Serbia EJ Interiors HQ is an award winning international company with a 30-year proud tradition of delivering a comprehensive range of bespoke interior design services and solutions for luxury residential and commercial properties. Today, we are able to deliver on all of your ideas and vision of a perfectly decorated space by turning them into reality. As a multi-disciplinary high-end interior design and furniture manufacturing company EJ Interiors offers a range of services: design solutions, major interior projects and 3D visualisation; production, coordination, organisation

and supervision of all interior works. We have a proven record of excellence which is evidenced by our diverse and memorable portfolio of complex multi- disciplinary, high profile projects across hospitality, residential and commercial sectors. Ever since we became a trusted and respected supplier in diverse markets of EU, UK, Russian Federation and UAE, EJ Interiors continues to conquer new markets and win impressive large scale projects boldly and confidently.

— TECHNICAL STANDARDS

EJ Interiors adheres to the Quality Management System and Environmental Management System in accordance with two international standards ISO 9001:2008 and ISO 14001:2004.

These two systems are at the core of continuous improvement of our organization's processes and activities.

We regularly test the quality of our product range with the accredited laboratories in EU, UK and Russia. Test reports certify high quality classes in the area of fire resistance performances, sound insulation, mechanical characteristics, burglar resistance, different climate zones and the CE mark.

ISO certificates issued by British certification body ISO-QAR

- EN 12210, EN 12207, EN 12208

”

We can shape any type of space. However, we prefer designing, producing and installing FFE for hotels and helping create spaces that numerous people can enjoy. Whether our own or by renowned designers or architects, we enjoy turning an idea into reality by producing bespoke pieces of furniture and joinery. Enjoy the photos of hotels that reflect our success across many different markets.

HOTEL IN THE HEART OF LONDON

London, UK ★★★★★

The 5 star Hotel founded in 1865 and located just around the corner from Regent Street, London, was quite an architectural challenge. Our company has manufactured the furniture, joinery and FR doors for rooms, bathrooms and corridors. This prestigious hotel has 333 rooms and 47 deluxe suites.

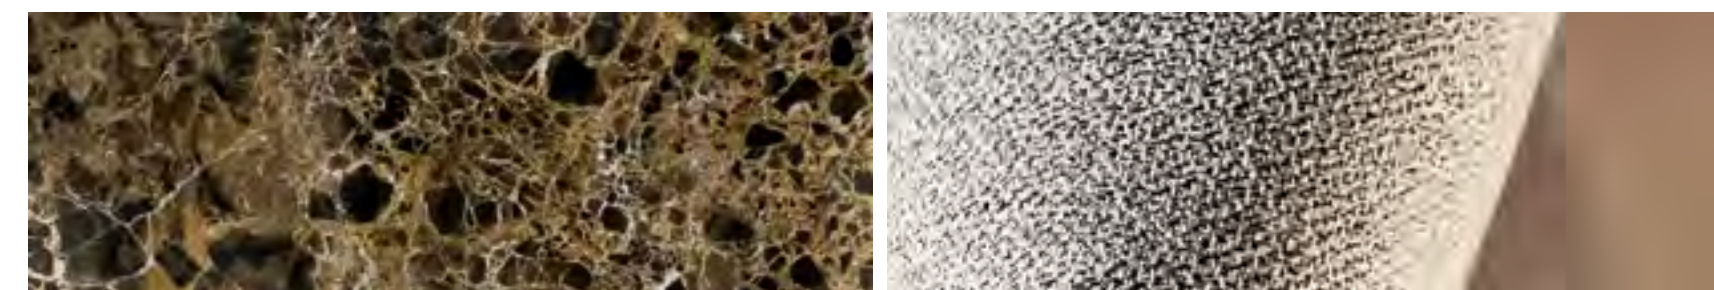

WESTBURY, STARWOOD HOTELS

London, UK ★★★★★

This is yet another of our high-end hospitality projects where we offered a “turnkey solution”. It is a 5 star Hotel located in Mayfair, London’s most prestigious destination, and is a part of the world renowned hotel chain – Starwood Capital Group. The Westbury, Mayfair has 246 luxuriously and elegantly designed rooms, equipped with furniture bearing the signature of EJ Interiors.

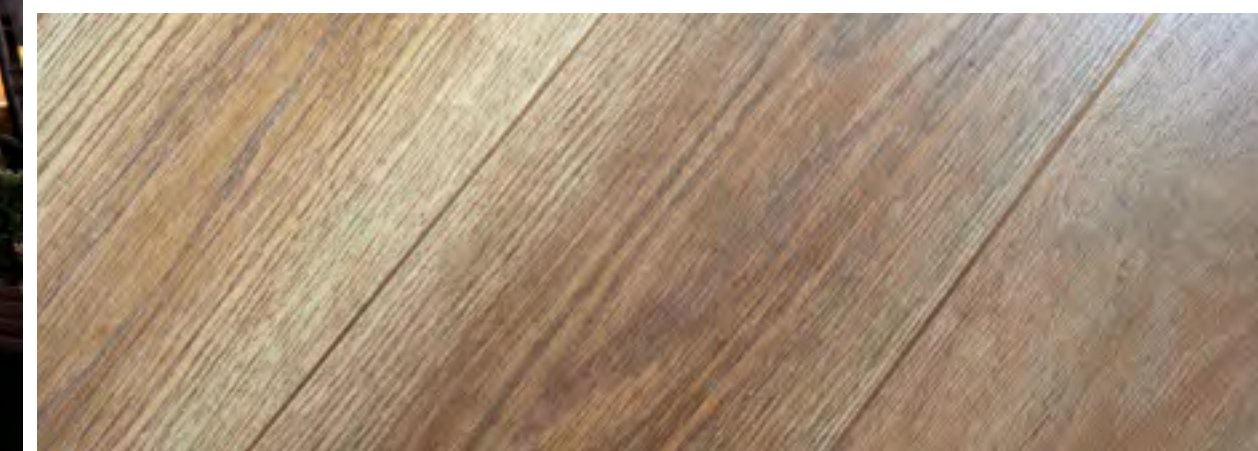

HOLIDAY INN LONDON - KENSINGTON CLOSE

London, UK ★★☆☆

Formerly Kensington Close, now Intercontinental, located in the affluent district in West London, the Hotel is redesigned in accordance with the client's wishes, market demand and EJ Interior's project design. Our team of architects and designers had participated in the overall design, manufactured and installed furniture, fittings and equipment in 450 rooms, as well as in public areas of the hotel, on a turnkey basis.

HOTEL CLARIDGE'S

London, UK ★★★★★

PRINCIPAL ST DAVID'S HOTEL

Cardiff, Walles, UK (Sample Rooms)

HOTEL YOTEL

Sample Room

We are proud to have been asked to make a sample room for an award winning modern hotel chain Yotel.

PRINCIPAL HOTEL COMPANY LUXURY COUNTRY ESTATES

EJ Interiors furniture is now a part of mansion house experience across a number of different country estate hotels belonging to the Starwood Capital Group's Principal Hotel Company brand. Since 2016 we have manufactured and supplied furniture for refurbishment of Wotton House, Tortworth Court, Latimer Place, Beaumont Estate, Horsley Towers, Wokefield Park, as well as sample rooms for several others such as Selsdon Estate and St. Davids Cardiff. Each of these refurbishments were a multi-million pound projects restoring the country mansions of historical significance to their former glory and transforming them to luxurious countryside hotels effortlessly marrying tradition and 21 century amenities. EJ is proud to have been a part of this process. This is not only a testimony to the quality of our design and craftsmanship, but also a great incentive to continue improving and creating unique, imaginative and individually tailored spaces of quality and integrity.
